

Why Rent from Dunbar Real Estate?

Dunbar Real Estate Co. was founded in 1945 by Roger Dunbar. Roger was a builder, real estate broker, land developer, apartment manager, past president of the Toledo Home Builders Association and past director of National Association of Home Builders. Dunbar Real Estate Co.'s current president is Frank Szymanski. Frank is a builder, an Ohio Real Estate Broker, member Toledo Board of Realtors, past president of the Home Builders Association and past Director of National Association of Home Builders.

Dunbar Real Estate has built over 5,000 single family homes and over 1,300 rental units in the Toledo area. Dunbar Real Estate Co. has also developed many subdivisions, and built over 300,000 square feet of commercial shopping center space.

Dunbar Real Estate Co. owns, manages and maintains over 1,000 rental units, manages over 125,000 square feet of Shopping Center space and is partner in a new manufactured housing community called Woodcreek Village, located in Walbridge, Ohio.

The Dunbar management and maintenance staff is comprised of 35 professional, well trained employees with many years of experience. The staff is supervised by Roger Rife, a licensed real estate agent dedicated to the field of property management.

As you can see, Dunbar Real Estate Co. has the experience and staff to manage your housing needs.
